Support a student bed!

Become a bed donor

The Cowboys Community Foundation invites like-minded individuals and organisations to join the education journey of our NRL Cowboys House students by supporting a student bed with an annual tax-deductible donation.

A unique and culturally-safe boarding facility, NRL Cowboys House is removing distance as a barrier to quality secondary education for Indigenous students from some of Australia's most remote communities, as they attend partner schools in Townsville.

Your donation will help set up an environment for a student in the Boys or Girls Campus to succeed, by providing a comfortable living space with a bed, linen, homework desk and all the essentials for a teenager's "home away from home".

By supporting this initiative, you become part of the NRL Cowboys House family and join the journey of these young Australians through education to employment and economic independence.

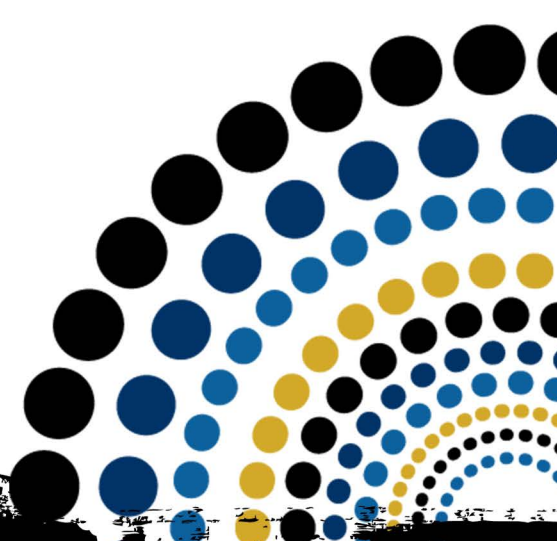

Your donation will be acknowledged by:

- Donation plaque on the door of a bedroom
- Acknowledgement in the NRL Cowboys House Yearbook
- Opportunity to visit NRL Cowboys House
- First right of annual renewal for donation
- Charity tax receipt

Make an annual single donation or by monthly instalment.

Donation: \$1,500 per annum (tax deductible)
